

## Carrollton Volunteer Fire Department 2012 Santa Tour in Carrollton

The 2012 Annual "Santa Tour" in Carrollton collected 1060 pounds of donated non-perishable food items for the Isle of Wight Christian Outreach Program (COP). As Santa made his way through Carrollton, parents and children in each neighborhood placed the donated items on Santa's sleigh. Santa wishes to thank all Carrollton residents and also the Carrollton Volunteer Fire Dept. members who assisted him throughout his four day visit to Carrollton. The donated food will be distributed by COP volunteers to needy families in Isle of Wight County during this Christmas Season. Merry Christmas to all!
