

Thanks to Smfd. Foods

Editor, Smithfield Times

On behalf of the Christian Outreach Program, I would like to thank Smithfield Foods and Smithfield Foods CEO, Mr. Larry Pope, for donating 2,400 hams to the Christian Outreach Program and to many local churches for their food banks. These hams were distributed throughout Isle of Wight for Christmas.

The benefits of this donation helped many families in need during the holidays. Smithfield Foods' generosity was greatly appreciated.

Thanks to Martha Russ and Jenny Sims for helping with the distribution.
