

Sue Jordan of "Curves" in Carrollton, COP Supporter!

Sue Jordan of "Curves" at Eagle Harbor Shopping Center in Carrollton collects standard-size large paper grocery bags for donation to the Isle of Wight County Christian Outreach Program. These large paper bags are the required delivery unit for reporting and accountability of distribution of food to the needy. Each bag is later packed with a careful and healthy selection of non-perishable food items by Food Pantry volunteers and then distributed within Isle of Wight County. The Pantry has a continuous need for large amounts of these paper bags. Sue asks her clients to bring the "recycled" bags to Curves and then donates the collected bags to the Food Pantry. Shoppers can always help by requesting "paper" instead of "plastic" at your local grocery store and then bringing in the slightly used bags to Sue at Curves. Further information call 238-2280 or 613-6183.
